PRINCE GEORGE'S COUNTY PUBLIC SCHOOLS
ACKNOWLEDGEMENT OF REVIEW OF THE STUDENT RIGHTS & RESPONSIBILITIES HANDBOOK

Student's Name

Teacher/Grade

Please review the Student Rights & Responsibilities Handbook with your child. Good behavior is important whether instruction is face to face or online. It is so central to success in school that there will be periodic reviews of important sections of the Code of Student Conduct during the year.

It is essential that the school and home work together to assure that all students meet the high expectations for behavior established in the Code of Student Conduct. This enables students to succeed in school and the community. Your support is vital in this process.

After you have reviewed the Student Rights & Responsibilities Handbook and the Code of Student Conduct with your child, please sign and return the signed form to the school. For quick reference, you may access the handbook at: www.pgcps.org/student_rights_responsibilities.htm.

As the parent/guardian of the above student, I have read and discussed the Student Rights and Responsibilities Handbook, including the Code of Student Conduct.

I understand that the Student Rights & Responsibilities Handbook and the policies and regulations it references apply to all students at all times, during distance learning, in school system buildings, on school system property and in all school vehicles; and at all school, school-related, or Board-sponsored activities, including but not limited to, school field trips and school sporting events, whether such activities are held on school property, virtually, or at locations off school property, including private business or commercial establishments.

I understand that students who violate the Code of Student Conduct may be prohibited from participation in extracurricular activities including prom, graduation and others.
