# Wellness Ambassadors Promote the Rain Check Rebate Program

## Who Are We?

Wellness Ambassadors learn and teach others how to make healthy lifestyle choices, and they are serving as community stewards for the Prince George's County's Rain Check Rebate Program.

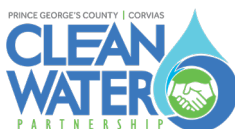

## What Are We Doing?

Wellness Ambassadors are educating Prince George's County residents and commercial property owners about the Rain Check Rebate Program, the program's benefits, and how to navigate the application process. Eligible applicants may receive up to \$4,000 for residential properties and \$20,000 for commercial, industrial, and institutional properties for installing Rain Check Rebate Projects.
