Bladensburg High School  
4200 57th Avenue  
Bladensburg, Maryland 20710

Dear Class of 2021,

Congratulations to the Bladensburg High School class of 2021! You each have reason to be proud of your achievements, and of the accomplishment of graduating after a senior year of unique, historic challenges. Your senior year of pandemic learning is something that you will long remember, and something no other graduating class before had to overcome. It was difficult in multiple ways, but you prevailed!

You and your classmates will travel various paths in life, but all of you will share the experiences and memories you forged during your time at Bladensburg High School. You will always share the bond of having experienced these important formative years together.

I also congratulate your parents and guardians, and the teachers, principal, and staff of Bladensburg High School. They all played an important role in guiding you to graduation.

Again, heartfelt and sincere congratulations. I wish you all the best on what comes next.

Sincerely,

A handwritten signature in dark ink that reads "Jolene Ivey". The signature is fluid and cursive, with the first and last names clearly legible.
