PRESS ANNOUNCEMENT FOR IMMEDIATE RELEASE

PGCPS & DMV Students Accepted to Harvard Biomedical Sciences Careers Program (BSCP) Conference

Program Summary: **Strategic Collegiate** is an annual Biomedical STEM based college prep and mentoring nonprofit program focused on high school students who have significant interest in Biomedical Sciences, Allied Health, Public Health, Assistive Technology & Rehabilitation Engineering... Integrated with Computer Science and Software Technology. Normally **Strategic Collegiate** hosts an all-expense paid trip from the DMV to Boston for the Harvard Medical School Biomedical Sciences Careers Program (BSCP) [https://www.bscp.org/New-England-Science-Symposium \(NESS\) Diversity Conference weekend](https://www.bscp.org/New-England-Science-Symposium-(NESS)-Diversity-Conference-weekend), but this year due to Covid-19 the conference is virtual **April 9-10th**. **Strategic Collegiate** Biomedical Health Science Program would like to send a special thanks to Senator Malcolm Augustine-47, Delegate Darryl Barnes-25, the Crescent Cities Foundation, Remnant Center for Excellence Foundation and the Black Student Fund (BSF) for their diligent and continued support of **Strategic Collegiate** 501c3
