September 24, 2021

Dear Parents and Guardians:

Central High School is committed to educating students in a safe learning environment. When incidents occur that threaten student or staff safety, we are committed to keeping you informed and resolving the issue.

On Thursday, September 23, 2021 there was an altercation that occurred between a teacher and a student. Law Enforcement was immediately contacted. Our School Support Team worked with Law Enforcement to ensure the safety of all students and staff. As a result, a staff member has been placed on leave.

I want to reassure you that our focus remains on rich student learning experiences. We are committed to creating learning environments where all students can succeed.

Thank you for your continued support of Central High School.

Sincerely,

Ms. Sheree Savoy

Ms. Sheree Savoy
Principal
