

Online Summer Tutoring Services

in Partnership with Carnegie Learning

Prince George's County Public Schools has partnered with Carnegie Learning to provide online summer mathematics tutoring services for all students in **Grades 6-12**.

Students can easily connect with highly qualified math tutor instructors who can personalize learning to meet their individual needs. Sign up for multiple sessions, select your favorite tutor, and meet with them regularly throughout the summer or drop in to a mini math lesson based on different topics each week.

Carnegie Learning's tutor instructors are all state-certified math educators who enjoy working with students to help them develop their highest potential.

Session Information

- Each PGCPSS student is approved for up to 2 hours of tutoring per week.
- Tutors are available between 9:00 AM and 2:00 PM, Monday through Thursday.
- The frequency of tutoring is determined by students and their families.
- Tutor to Student Ratio is either 1 to 1 or 1 to 6, for drop-in sessions.

Registration Information

Students can access the tutoring sessions by logging into [Clever](#) and selecting the GoSchoolBox App. Once signed in, students can select an available drop in session or schedule a 1 on 1 session.

Each time a student attends a session and completes a feedback form, they have a chance to win a \$25 gift card!
