Schedules

There will be a few schedule adjustments. A new schedule has already been shared with families.
- MS students will have their Specials in the first period, and then follow the regular schedule.
- 2nd grade students will go to their ELA classrooms upon arrival at school.
Class Coverage

Hybrid Learners continue to be assigned to their regular teachers. There will be no combination of classes on-site.

Nota: However, in case a teacher is absent and not covered, we may have the students on-site to join another class at the same grade-level for that day(s) only. CDC guidelines will continued to be followed strictly.
A PowerPoint presentation is already available. This presentation will provide answers to the questions you may have.
Health and Safety Protocols

The building maintenance staff has to follow strict disinfecting and cleaning protocols during the day and after school hours.
