Greetings DKFI Community,

As a follow-up to the correspondence this morning, I want to communicate that our law enforcement partners have been diligently investigating the concerning social media threat. They have concluded that the threat is non-credible and several agencies are still working to bring the responsible parties to justice. At DKFI, there were no incidents of concern within the school or on the exterior campus. We appreciate Prince George's Co. Public Schools Security Services, Prince George's Co. Police Department, the City of Greenbelt's Police Department and the Department of Homeland Security for their assistance and presence. Also, a special thank you to our community stakeholders for your trust and support during these unsettling times. We have been advised that on tomorrow January 25th, we will be able to proceed with school functions as normal; and there will be additional law enforcement and security support. Should there be further necessary updates, we will communicate them expeditiously. Thank you for your attention to this correspondence.

Sincerely,

James A. Spence II
