Dear Heather Hills Mustangs,

Our Annual College and Career Day at Heather Hills is coming up on Tuesday, December 14, 2021. This will be a virtual event. We are in need of guest speakers to provide our students exposure to a variety of college and career options. Students are invited to dress up as their future career, dress like they are going to a job interview, or wear a college shirt or sweater. Please consider joining us as a guest speaker.

Our students are learning about digital citizenship during guidance lessons and with videos shared during the morning announcements. Ms. Bartley, our school counselor, has a website filled with resources for parents and students that empower parents and students to use the internet responsibly. Check out Ms. Bartley’s Counseling Corner. Go to the parent resource tab and read the information on digital citizenship. Attached you will find a Digital Citizenship Family Activity to complete with your child.

Let me know if you have any questions.

Principally Yours,

Nema Manuel
