Dear Heather Hills Mustangs,

As a result of the rise in COVID-19 cases throughout the school system, all students transitioned to virtual learning, effective Monday, December 20 through Thursday, December 23. Winter break will proceed as scheduled, Friday, December 24 through Friday, December 31, and virtual learning will resume on Monday, January 3. Students in the K-6 Virtual Learning Program will return on Monday, January 31.

Artificial Intelligence Course

Kode5 AI For Elementary

"AI for Upper Elementary" is a Kode5 10-lesson course in Artificial Intelligence for grades 2-5 sponsored by Mr. Johnson (TAG Coordinator). This group will meet virtually on Tuesdays at 6 p.m. Students in grades 3-5 will meet beginning in January. Students in grade 2 will begin in the spring 2022. Click this link to learn more and to complete a sign-up interest form.

Save the date. Our annual TAG Continuity/Middle School Meeting for 5th grade parents is tentatively scheduled for Wednesday, January 26, 2022 at 6:00pm on Zoom. TAG coordinators from each TAG middle school will be in attendance. Stay tuned for more information regarding registration for the meeting. In the meantime, you can locate your child's assigned middle school using PGCPS SchoolFinder.

We are one day away from winter break. We can feel the energy and excitement in the air. We all look forward to the time off with family and friends. I wish you and your family a restful, safe and fun break. I hope you create memories with those you love. Above all, I hope you allow your children to rest and relax. They work hard during the school year. I am aware that for some families, the holidays are a difficult time of the year. Take one day at a time. Find something that brings you happiness and enjoy it.

Let me know if you have any questions.

Principally Yours,

Nema Manuel
