July 18, 2019

Great Day Hillcrest Heights Elementary Community,

It is with great excitement that I introduce myself as the newly installed Acting Principal of Hillcrest Heights Elementary. I have truly been humbled by the opportunity to serve this school community. My journey in education is made up of 13 years of service within Prince George’s County Public Schools. I started my career as a 6th-grade math teacher and assumed various roles within the school building in preparation for my service here at Hillcrest Heights Elementary.

My charge is to lead the development of a unique learning environment for the scholars of Hillcrest Heights. Through the integration of technology and the arts, this goal is achievable. Parents and community members play a major role in the development of the scholars that enter our doors each day. The creation of a long-lasting home/school partnership is essential to the success of our scholars and school. Together we can create an exemplary learning community which empowers scholars to develop skill sets essential to success within the global community.

As we return for the new year, my personal goal for the first quarter is to meet with as many parents, community members, and local business owners as possible. Your insight into the community and school history will be essential to our growth as a school. Hillcrest Heights Elementary will be hosting two “meet and greet” opportunities to begin our purposeful discussion about our future, the scholars of Hillcrest Heights Elementary. Both events will take place on August 1, 2019. The Principal’s Coffee and Tea will take place from 9 am to 11 am. Popsicles with the Principal will begin at 5 pm and end at 7 pm. Please look forward to further information. My door is always open (feel free to stop by) and my purpose is to support every member of this school community. We are Hillcrest Heights Elementary School and Hawks Fly High!

Sincerely,

David A. Brown
Acting Principal
