Judge Sylvania Woods
Newton’s Thinkers After-school
& Saturday Program
November 1, 2021 - June 15, 2022

Fall Registration NOW OPEN!
Community Youth Advance is excited to partner with Judge Sylvania Woods Elementary School to deliver the Newton’s Thinkers after-school & Saturday program. Newton’s Thinkers is funded by the Maryland State Department of Education under the 21st Century Community Learning Centers Program and is FREE to all families.

All CYA programming will begin virtually on November 1st, but we look forward to transitioning to in-person in Spring 2022.

What is the Newton’s Thinkers After-school Program? CYA’s Newton’s Thinkers provides 3rd - 5th grade students with homework support, personal and small group tutoring, fun-filled experiential learning field trips, project based learning, extra curricula venture experiences, character education, service learning, mentoring, and more.

**Academic Support**
- Homework Help & Study Skills
- Personal & Small Group Tutoring
- MCAP & Standardized Test Preparation
- Project-based Service Learning Experiences.

**Venture Extracurricular**
- Drama, Dance
- Robotics, Architect, Coding
- Visual Art, Culinary Arts
- Sports & Athletic Training

**Fun-filled Field Trips**
- Crayola Experience
- Franklin Institute
- Port Discovery
- Spy Museum

*We are excited to offer CYA’s flagship mentoring programs (Mentoring to Manhood and Lily Sisterhood) to all participating Junior Leaders.

Program orientations and information sessions will be held virtually during the week of November 1st.

Space is Limited, Register TODAY!

Congratulations! You are invited to participate in Judge Sylvania Woods Newton's Thinkers After-school & Saturday Program. This is an honor and an amazing opportunity for you and your family. Newton's Thinkers is a robust program that provides academic support, experiential learning, and fun extracurricular opportunities. All students will also have the opportunity to participate in our character education & mentoring programs.

What does a typical week in Newton's Thinkers look like?

- Two days per week, students meet online with a tutor to complete homework and to review core content skills. Each tutoring session is 60 - 90 minutes with a highly qualified, certified instructor.
- One - two days per week, students participate in an extracurricular venture course of their choice (art, dance, culinary arts, STEM, etc.) Each venture session is 60 minutes led by an industry professional.
- One - two times per month, students participate in Saturday mentoring programs and service learning projects.
- One - two times per quarter, students participate in fun-filled experiential learning field trips. Many of these experiences are to various locations within the surrounding community.

Why Join?

Newton's Thinkers is for those students who want to make the best out of their academic school year. Participating students will:
1. Have a committed tutor who will work with them to achieve their academic goals.
2. Meet new friends all across Prince George's County from various cultures and backgrounds.
3. Learn what it means to serve your community.
4. Travel within and outside of your community to engage in various experiential learning opportunities.
5. HAVE LOTS OF FUN with teachers, mentors, and friends who are all committed to your academic success.

If you have any questions, please contact Ms. Erica Mason at EMason@CYAdvance.org or call 301-925-2840. To register, please visit http://bit.ly/CYAacademics21

We look forward to hearing from you soon.
