IV. **PROCEDURES:**

A. **Recording Absences by Staff Members**

Recognizing the responsibility of administrators and teachers for developing and maintaining a system of recording and reporting student absences (lawful and unlawful), the following procedures are to be considered as minimum for each school level (elementary, middle, and high).

1. The classroom teacher is responsible for recording student attendance and tardiness on the online system daily. Capturing attendance daily in SchoolMAX will serve as a daily attendance log for each day or class.
2. When a student is not physically in the classroom but remains under the direct supervision of Prince George's County Public Schools, students are considered present for state and local reporting purposes; however students are marked absent by the teacher of record that they are not in the classroom. The attendance secretary or assigned personnel will assign an applicable reason code (which can be accessed in SchoolMAX) to ensure proper reporting on state and local reports.
3. Attendance personnel will use the following guidelines for determining full day absent, full day present and half day present:
 - a) A student is counted present for a full day if the student is in attendance four hours or more of the school day.
 - b) A student is counted present for a half day if in attendance for at least two hours of the school day, but less than four hours.
4. Home and Hospital Students

Attendance for students receiving home and hospital services—not home school instruction—should be maintained on the regular school roll. They should be marked present except when they are not available for home and hospital instruction and then he/she is marked absent.

B. Reporting Absences by Parents/Guardians

Parents or guardians must notify the school when their child is absent in the form of a written note (email may be acceptable), no later than three days.

A written explanation of each absence is required from the parent/guardian within three (3) days of the student's return to school. The note must indicate the dates and reason for the absence(s).

C. Student Make Up Assignments

1. Students who are considered **lawfully absent** from school or a class will have the opportunity to make up missed assignments.
 - a) Teachers are required to provide make-up work (within 48 hours) when requested for students who are lawfully absent, including suspensions, and who have not qualified for home and hospital teaching.
 - b) For all suspensions, teachers are required to provide make-up work and assignments to all students, unless other educational alternatives are provided.
 - c) Students who are lawfully absent may not be penalized for work requested but not provided by the school for periods of such lawful absence.
 - d) The number of days allowed to make up missed work will be equivalent to the number of days of lawful absences. The timeline will begin when the teacher provides the student with the assignments within 48 hours of the request. Students who fail to complete missed assignments within the allotted time will receive 0 (zero) for each assignment.
 - e) If lawfully absent students return to school near the end of the first, second, or third marking period and do not have sufficient time as described above to make up the missed work, an "I" grade will be assigned.
2. Students who are considered **unlawfully absent** from a school or a class will not have the opportunity to make up missed

assignments.

- a) A student with unlawful absences will receive a “failing” grade for any day(s) of such absence(s). The failing grades will be averaged with other daily grades. Failing grades for credit courses is zero percent.
 - b) Teachers should enter 0 (zero) in SchoolMAX for unlawful absences and add a comment to the note section “unlawful absence”.
3. Pregnant and parenting students

In addition to Home and Hospital Teaching, these students may make up work in ways other than home and hospital teaching by retaking a semester, participating in an online course credit recovery program, and continuing at the same pace with 6 extra weeks to complete the semester.

D. Notification to Parents/Guardians regarding consecutive or chronic absences

1. If the student has missed 3 school days in a quarter, the parent(s)/guardian(s) should be called or emailed by the teacher.
2. If no change in absences, the teacher of record will submit the student’s name to the grade level administrator or principal to communicate via telephone, letter, or email with the student and parent(s)/guardian(s).
3. Students with chronic absences, both lawful and unlawful, will be referred to the School Instructional Team (SIT) to address the underlying problems that lead to the absenteeism.
4. Students who demonstrate a pattern of truancy will be referred to the School Support Team (SST), which will include the Pupil Personnel Worker, for intensive interventions designed to increase regular attendance. Habitual truancy is defined as being absent 9 days per quarter or for secondary students 9 days per quarter per course.
5. Pupil Personnel Workers are required to report monthly, to the school principal, the names of students who have been habitually truant and chronically absent the previous month. This information

can also be retrieved from SchoolMAX.

E. **Procedures for Students Detained and Incarcerated Students**

A student who is charged with either a juvenile or adult offense and is detained awaiting adjudication (temporarily held at a secured facility with an educational program) will be withdrawn from PGCPS.

1. A student ordered to an institution with an educational program will be withdrawn from PGCPS with a code of T-22.
2. A student ordered to an institution without an educational program is withdrawn with a code of W-38.

V. **PREVENTING TRUANCY:**

A. Identify At-Risk Students

Students often exhibit behaviors which, without intervention, can lead to truancy. To prevent unlawful absences, it is crucial to initiate positive and supportive interventions as soon as a student begins to exhibit such indicators. Some student warning symptoms, among others, may include:

1. Changes in behavior or behavior difficulties
2. Changes in friendships or having no friends
3. Poor or decreased academic performance
4. Bullying or being bullied
5. Listlessness or lack of focus
6. Agitation or withdrawal
7. Behaviors inappropriate for the age of the child
8. A history of sibling truancy

B. Incoming Students: Articulation and Orientation

The following steps are to occur during articulation from elementary to middle school; and middle school to high school.

1. Principals and/or their designees will transmit attendance information to receiving schools for all students with 20 days or more absences in the prior school year.

School personnel will discuss attendance issues with individual

incoming students and their parent(s)/guardian(s) who have been identified as having 20 or more absences. The students should be placed on the School Intervention Team agenda to discuss monitoring strategies.

2. During the orientation process each year, school personnel are to discuss attendance issues with all incoming and returning students and their parents. For students, this may be done as part of the initial orientation assemblies or in special attendance assemblies, during classroom activities, and/or in other programs or communications. Parents are to be informed at back to school nights, PTA/PTSA/PTO meetings, school conferences, and other activities.
3. During regular registration for transfer students, Professional School Counselors and other appropriate personnel will discuss the importance of regular attendance.

For transfer students - specifically those who have missed 20 days or more in the prior school year - Professional School Counselors will specifically note attendance as they review records of incoming students. The Professional School Counselor, Pupil Personnel Worker, parent engagement assistants, or other appropriate staff member will contact parents of students whose attendance are unsatisfactory and will hold conferences to develop an individual attendance plan for these students.

4. All communication to parents will occur in a language which the family understands. Whenever written documents are available in the native language of the family, they shall be provided. When needed, professional interpreters shall also be provided for oral communication.

School staff members should contact the Office of Interpreting and Translation for assistance with translating and interpreting services, per Administrative Procedure 1400.

C. Addressing At-Risk Students

By the last day of September, the Pupil Personnel Worker and the Professional School Counselor will meet with returning students who were identified as habitual truant the previous year to:

2. Meet with the student and parent/guardian to develop strategies for improvement.
3. Complete attendance contract with student.
4. Provide copies for the family, Pupil Personnel Worker, and the student's cumulative folder.

D. Addressing Attendance Matters

The most effective approach to increase attendance and prevent truancy requires the school, family, and community working together. It is strongly recommended that the School Instructional Team (SIT) and the Supplemental Services Team (SST) meet a minimum of once per month to discuss attendance issues.

The SST will consist of:

1. Principal or designee
2. Parent
3. Pupil Personnel Worker
4. Professional School Counselors
5. Special Educator
6. Teacher
7. Attendance Secretary
8. School Psychologist
9. Nurse (if needed)
10. Other staff members as appropriate

E. Additional Measures to Address Students Over the Compulsory Age of Attendance

ADMINISTRATIVE PROCEDURE

Procedure No.

August 26, 2019

All students shall be made aware of the attendance policy located in the Student Rights and Responsibilities Handbook (http://www.pgcps.org/student_rights_responsibilities.htm). Students over the age of compulsory school attendance are subject to the same attendance procedures as those under the age of compulsory school attendance. If all strategies and interventions for the student's successful completion of school have not eliminated habitual truancy, then the case shall be reviewed.

1. The Pupil Personnel Worker shall review the case and provide guidance to school staff members on appropriate actions needed prior to the withdrawal of the student from school. If withdrawal is recommended, the Professional School Counselor will offer in writing, as part of the withdrawal letter an exit interview with the student and parent(s)/guardian(s) to discuss again the student's options for continuing his or her education. In addition, the withdrawal letter and withdrawal form PS 105 will be completed and placed in the student's cumulative folder.
2. If the student and his or her parent(s) or guardian(s) are unavailable to participate in the exit conference, school staff members, and the Pupil Personnel Worker should make reasonable efforts to contact the student and parent or guardian using a certified letter, home visit, email, etc. A copy of the student's options for education must be provided.

F. Appeal for Withdrawal Due to Attendance for Students over the Compulsory Age of Attendance

If the parent(s)/ guardian(s) protest such a withdrawal the parent may appeal to the appropriate Area Office. The student shall remain enrolled in the regular school program during the appeal process. Upon the successful appeal of the withdrawal, the school, parent/guardian, and student shall develop an attendance contract. Documented failure by the student to adhere to the conditions of the contract shall result in withdrawal.

G. Continuing Education After Withdrawal for Truancy

Notwithstanding any of the above, withdrawal from the day school program due to truancy shall not preclude the student from participating in:

1. Evening High School;

2. Summer School;

4. If appropriate, alternative school placement (Annapolis Road Academy, Green Valley, Tall Oaks, Croom, Community Based Classroom; and/or
5. GED preparation program or other educational/career programs.

H. Withdrawal of Special Education Student

The withdrawal of a special education student, regardless of age, must be in compliance with special education procedures. Such a withdrawal usually mandates that an IEP team meeting be convened to discuss options for continuing the withdrawal. Form (PS 105) must be completed and placed in the student's file.

I. Police Cooperation with Truants

1. The Prince George's County Police have agreed to stop and question children at large in the community who appear to be under the compulsory age of school attendance and unlawfully absent during regular school hours.
2. If such children do not have verification, such as an early departure slip, a release time card, or other authorization showing they are legitimately out of school, the police may document such children, take them to school, and release them to the appropriate school administrator. Students are responsible for securing departure documentation from the school officials.
3. When the police escort a student to school, the principal and/or the designated school official will admit the student to school, notify the parent(s)/ guardian(s) of the circumstances, and take appropriate disciplinary action in accordance with this Administrative Procedure 5113 and Administrative Procedure 10101, Code of Student Conduct found in the Student Rights and Responsibilities Handbook.
4. Principals should encourage store managers who call regarding loitering of school-aged children to contact the police. A conference that includes the police, principal, and store manager to discuss the details of the situation may be appropriate should a particular shopping center or store have significant problems with truants.
