Dear Valley View Elementary Families,

It is with great excitement that we welcome you to the 2021 – 2022 School Year! Your Valley View Family looks forward to our scholars returning on Wednesday, September 8th. Safety remains our top priority as we prepare to receive our scholars for quality learning experiences. Therefore, masks are required for all staff and scholars until further notice.

State assessments will be administered in September. Additional information will be shared after the school year begins. Our teachers will conduct crucial beginning-of-year assessments to identify where scholars are and how to tailor instruction to address their needs. Please partner with us to encourage your child to do his/her absolute best on the assessments. This will enable us to accurately identify their academic needs.

Please know that our entire team is committed to ensuring that your child (our scholar) is a part of a nurturing, safe, and positive environment. We look forward to working with each one of you and seeing your child put forth effort to do their best, socially and academically every day.

On **Friday, September 3, 2021 beginning at 9:00am**, we will host our Pre-K, Kindergarten, and First grade In-Person Student Orientation Day. Please see grade level start times below. This event will allow administrators and teachers to share key components and expectations of the elementary program with students. It also provides students with an opportunity to meet their teachers, start the formation of peer and teacher relationships, conduct a walk-through of their schedule and hear important information related to the elementary experience.

- **Pre-Kindergarten**: 9:00-10:00am
- **Kindergarten**: 10:00-11:00am
- **First Grade**: 11:00-12:00pm

We hope you will also join us for our first Valley View “Homecoming”, which will be held on **Friday, September 3, 2021 at 5pm** in the school parking lot. In conjunction with the PTA, this event will provide an opportunity for students and parents to grab some snacks, "meet and greet" with the staff and teachers of Valley View ES and ask any questions. **As a reminder, masks are REQUIRED for all school events.**

Below you will find additional information you will need to begin the 2021-2022 school year successfully. The Grade Level supply list is included in this letter and may also be found on our school website. Enjoy the remainder of your summer. We look forward to seeing you soon!

Important Parent Information
During the first weeks of school, please pay close attention to the school-wide information that will be shared.

1. All children should bring home a Free and Reduced Lunch Application. We are requesting that all of our families apply for the program to ensure that no one who is eligible is left out.
   a. Fill out one application per family at the following site Apply for Free and Reduced Priced Meals. If you need assistance completing the application, please contact the school.
   b. If you filled out and sent the application over the summer, please complete the Application Status Form and return that to your child’s teacher.
   c. If you are in need of a physical copy of the form in Spanish or English, please contact your child’s teacher. If you complete a physical copy of the application, return the form to your child’s teacher. We encourage ALL families to complete the form online and prior to the return of school.

Because of your efforts with completing the lunch applications and participation every year, we receive additional money from the government as a Title I school, which allows our school to receive additional resources, including classroom teacher positions.

3. Fill out the Emergency Form/Electronic Form with complete and accurate information. Please make sure that you inform the school of any changes in your contact information so that we are able to contact you if there is an emergency.
