APPENDIX J – CERTIFICATION OF COMPLIANCE (SUBMITTED WITH TECHNICAL PROPOSAL) RFP PUR 002-24 ESTABLISHMENT OF SCHOOL-BASED HEALTH CENTERS

All Contractors, subcontractors or vendors must abide by PGCPs Board policies and regulations while working on PGCPs property.

Maryland Law requires that any person who enters into a contract with a county board of education may not knowingly employ an individual to work at a school (or PGCPs facility) if the individual is a registered sex offender. Please reference §11-113 of the Criminal Procedure Article of Maryland Code for penalty.

Be advised that individuals who are registered sex offenders are not eligible to work on any PGCPs project. The Vendor must initially check the Maryland Department of Public Safety & Correctional Services' MARYLAND SEX OFFENDER REGISTRY and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well.

In the event that a registered sex offender is discovered to be working on a PGCPs project, whether through employment by the prime Contractor, subcontractor or vendor, the site superintendent will immediately remove the individual from the premises and permanently terminate his work assignment. PGCPs may terminate this contract as a result if the Contractor is unable to demonstrate he has exercised care and diligence in the past in checking the Maryland registry.

Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor or vendor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:

A sexual offense in the third or fourth degree under §3-307 or §3-308 of the Criminal Law Article of the Maryland Code. Child sexual abuse under §3-602 of the Criminal Law Article of the Maryland Code or any other State; or a crime of violence as defined in §14-101 of the Criminal Law Article of the Maryland Code or any other State.

With the passing of Maryland Law MD. Code, Educ. 6-113.2, employers of all contracted staff must obtain background information relating to child sexual abuse or sexual misconduct. This means that all contracted staff having direct contact with students must meet all of the PGCPs and Maryland State Department of Education (MSDE) requirements before doing business with PGCPs. See: [Maryland State Department of Education Website](#); [House Bill 486 Child Sexual Abuse and Sexual Misconduct Prevention](#); [MSDE Guidelines For MD. Code, Educ. 6113.2](#); and [Employment History Review Form for Child Abuse and Sexual Misconduct](#) for additional information.

In addition, there has been no change to the current PGCPs requirement, that all contracted staff who have contact with students are required to be fingerprinted in order to obtain a criminal background check. Fingerprints and background checks are still an enforced PGCPs requirement.
