HOW TO ACCESS CLEVER

1. Open web browser (Google Chrome is highly recommended). Click/type the link clever.pgcps.org then click “Login with Active Directory”.

2. Enter your PGCPS username and password.

3. Once you are successfully logged in, links and apps will be displayed.

4. Enjoy learning!!!!
1. Open web browser then go to clever.pgcps.org. Click “Login with Active Directory”. Enter your PGCPS username and password.

2. Scroll down the page to locate DreamBox or find icon.

3. Follow prompts to complete Mathematical tasks by playing interactive games and simulations. If the system logs you out, go back to Step 1/Step 2 to log back in. Have fun learning Math!!!

If you see me, close this tab then go back to Clever to log back in!
