IMPORTANT MESSAGE FROM NURSE FARROW: IMMUNIZATION

Note to Parents/Guardians:

All children by law per DHMH COMAR 10.06.04.03 must have the required State of Maryland immunizations in order to attend school. Parents are responsible for providing proof of immunizations to the school. If your child does not meet the required immunizations needed or the school does not have an updated immunization record an Immunization Exclusion Letter was sent home with students. Please contact your child’s healthcare provider to obtain the immunization record/missing doses of the vaccine indicated on the letter. Proof of immunizations are needed or your child will not be allowed to attend school. If you received an Immunization Exclusion Letter and did not submit an immunization record, due to noncompliance with the current immunization laws, Your child will be excluded from Ardmore Elementary School as of **November 15, 2021**.

Please give immunization records to the School Nurse. My contact information is rayvenia.farrow@pgcps.org or (240) 696-8788.
