FTE Families:

Welcome, welcome, welcome to a brand new School Year! The 2021-2022 school year is upon us and we are ready to get back to the brick and mortar! Our ‘new’ normal includes opening the building to ALL scholars safely! I can’t wait to see you and serve alongside you in the Francis T. Evans (FTE) community.

In alignment with Prince George’s County Public Schools (PGCPS), ALL scholars and staff are mandated to wear a mask throughout the day. Hand washing will continue to be embedded within the schedule. Social distancing will be reasonably enforced. The CARE room will be available for anyone who becomes symptomatic within the school day. We will need your support in not sending your child to school if they are feeling sick.

Our belief in your child’s ability to learn continues to be why we teach. We remain dedicated to helping our children reach their learning goals. Our school wide goals are around attendance - decreasing chronic absenteeism, and increasing academic growth in Reading and Math.

PGCPS has supplied each child with a digital device. Scholars will continue to use their devices in school and at home for learning and to complete assigned work. We will use Google Classroom or Canvas (another online platform). Teachers will use multiple modalities to engage scholars in learning.

Remember, we can not do this work without you. You are encouraged to monitor their progress on Google Classroom/Canvas, intervention programs and in SchoolMax. Scholar performance will be seen on all platforms. We will use Class Dojo, SchoolMessenger, and emails to strengthen our home-school communication. Maintain contact with your child’s teacher. We also urge you to join our Parent Teacher Association (PTA).
Our staff and school community are committed to providing the best educational experience possible for your child. I commend our staff for their hard work in meeting the learning needs of our children. Including creating a culturally responsive classroom.

Upcoming Dates to Remember
- September 3 - Orientation Day (more details to come)
- September 8 - First Day of School
- September 22 - Back to School Night

We are working earnestly toward our Francis T. Evans vision and mission of the school. Our motto, “Piloting Our Paths Towards College and Career Readiness” remains the same. Our theme, “Sky’s the Limit,” encompasses what we believe for every child. Join me and our staff as we strive to teach our scholars to be prepared for their best future selves. FTE will produce better readers, better writers, better mathematicians, better scientists who will make profound contributions to society!

Sincerely,

Sonya Gaston
Principal
