

JOHN HANSON MONTESSORI SCHOOL

February 22, 2021

Great Afternoon Families!

Please join our administrative team and other schools in Cluster 8 as we continue to prepare for the safe school.

"Our Reality, Our Norm" is a day that is dedicated to practicing the appropriate wearing of masks during the instructional day. We invite our students to wear their masks tomorrow during all class sessions with the exception of time for lunch. Ms. Bratek and I began practicing and posting this today.

This is indeed, "Our Reality, Our Norm" and we will find success in doing so. I am excited to welcome our students back in our building and want each of you to find comfort in making this transition as well.

Stay Safe!
P. Barnes
