Orientation Day
***************************************************************************************************************
Friday, September 3, 2021

Orientation has been scheduled to provide our families with an opportunity to familiarize students and parents with procedures for the 2021-2022 school year. It is important that parents take advantage of this in person opportunity as there will not be an opportunity to walk students to class on the first day of school.

Things to Know:
- Families will be welcomed by our greeters at the side entrance closest to the parking lot.
- Pre-kindergarten, kindergarten, and first grade families will enter the building via the outside classroom doors during the designated time.
- All other new families who wish to visit us will join us in the cafeteria at 9:30am.
- Reserve your space for orientation here- https://forms.gle/qFfvQg7n4eAn6kRA9. Limit of two adults present with students.

Safety First:
- Masks on at all times.
- Do not congregate.
- Maintain at least 3 feet of social distancing when feasible.
- Report any safety concerns immediately to administration.
- Respect one another’s boundaries.

We are excited about offering in person as well as virtual options for orientation. Families unable to attend in person may join using the link below.
