All parents/guardians/caretakers are invited to join us at Back to School Night!

The purpose of Back to School Night is to share important information about:

- PGCPS and Montpelier ES procedures and policies;
- What students will be learning in each subject area;
- Classroom expectations for academics and social interactions;
- Parent Communication;
- Homework;
- Graded assignments; and,
- Student culture, school-wide discipline, character traits and parent involvement

Children are encouraged to stay at home during this event so that adults can fully engage in the evening and receive all of the pertinent information without distraction. We understand that childcare may pose a challenge for some families; children may accompany their parents, but there will not be activities for children on this evening.
