Parents/Guardians:

On December 1, a notification was sent to all families with Scribbles Dashboard Accounts to complete the Federal Impact Survey by **January 15, 2021**. It is important that this survey is completed because the U.S. Department of Education requires all school systems that receive federal funding to survey each student every year. The need for federal grant funds to support our schools is needed now more than ever.

You may have recently received several Scribbles and/or SchoolMax notifications regarding your student’s account. These notifications are being sent to inform parents/guardians that the Federal Impact Survey, which is completed annually by families, is now digital.

**The survey should be completed by all parents/guardians even if you are not a member of the uniformed services or work on Federal Property in the State of Maryland.**

**Steps:**

Parents/guardians will use their existing ScribOrder family dashboard account. You must have an account in order to access the survey. Additionally, parents/guardians must update their student’s profile page to the current grade level. To create a dashboard account and to complete the survey visit

https://pgcpsmdc.scriborder.com/family

The Federal Impact Survey is the third highlighted item from the bottom of the webpage.

If there are any questions please contact the school’s office on Mondays and Wednesdays from 8 a.m. to 2 p.m.

Thank you kindly for your assistance.
