WELCOME BACK!
WOODMORE ES
APRIL 2021
Our goal is to create a safe school environment that is conducive to learning and fits within the parameters set by Prince George's County Public Schools.

Today, we will share the policies and procedures that we have put in place to do that.
Arrival

Pre-K - 2nd grade students will enter and exit the building through the main doors near the office. Staff and students will maintain 6 ft distance and proceed down the hallway to their classrooms. 3rd - 5th grade students will enter and exit via the side entrance by the music room maintaining 6 ft distancing, and proceed directly to their classrooms. All students will be required to use hand sanitizer when entering the building.

Pre-K and Kindergarten teachers will meet their students by the flagpole (cafeteria if raining) for the first days of hybrid instruction.

Students must wear a mask when entering the building!
Families will receive a postcard with bus stop information over the next week and a half. This information will also be available online. Students will be assigned a seat by the bus driver and must remain in that seat. Students must wear masks at all times on the bus. Students should also be prepared for windows to be open on the bus. It is important that students are prepared to follow the directions of the bus driver to ensure safety.
Morning Car Riders

Car riders must be dropped off between 8:50am and 9:00am in the new parking loop (the small loop closer to the road, immediately to your right after turning in to the school's entrance). Staff members will be present to direct students to the correct school entrance.

Students may not be dropped off prior to 8:50am, there will be no staff on duty prior to 8:50am.
Dismissal

Classes will be dismissed by grade level in order to ensure there is not crowding at the exits. Teachers will walk with their students to the bus and carpool lines. Teachers will drop students off accordingly at their buses first and then to their parents in the carpool line, maintaining a checklist. Pre-K - 2nd grade students will enter and exit the building through the main doors near the office. 3rd - 5th grade students will enter and exit via the side entrance by the music room. Teachers will maintain a checklist of students getting on a bus or into a car.
PM Car Riders

Afternoon car-riders should be picked up between 3:00pm and 3:10pm in the upper loop. Staff members will be present to direct cars and buses. Parents or other authorized drivers must place the school provided sign in the car window with the student's name, grade, and a number designated by the school (communicated by the teacher). Car riders picked up after 3:30pm will be considered late and after 3 lates will not be able to remain hybrid. Parents will be asked to show an ID through their car window on the first day of pickup for each Group.

Parents & Visitors in the School

To protect our students and staff, we are currently allowing visitors to enter the building by appointment only. Questions about appointments should be directed to the main office at 301-390-0239 between 9:30am and 2:30pm. All visitors must wear a mask at all times.
In the Classroom

As students enter the classroom they will be assigned a desk (either with a name or a number) by the teacher. Students must use the same desk everyday. Student supplies will be kept in their backpacks, which will be hung behind their desk chair. Teachers will provide parents with a list of supplies that each student should bring daily, including their Chromebook and charger. All classes (with the possible exception of PE) and lunch will be held in the student's classroom.
In the Classroom

Classes without a bathroom in their room have been assigned two bathroom/hand washing times during the day. Teachers will use a shared Google Doc to sign students out to the bathroom and ensure that there are not more than 3 students in the bathroom at any time.

Class schedules will change for all students starting Thursday, March 25th. Updated schedules will be communicated to parents by the classroom teachers.
Lunch & Recess

Breakfast and lunch will be provided to all students at no charge. Meals will be eaten in the classroom with the classroom teacher. Water bottles will also be provided to all students. A take-home evening meal will be available to any student that wants one. Each grade level will be assigned a specific area for recess. Students will participate in activities that do not require touching or sharing equipment. Students may bring a recess bag with chalk, bubbles, jump-ropes, or other non-electronic toys that do not have to be shared.
Health & CARE Room

To the greatest degree possible, minor injuries will be taken care of in the classroom. Teachers will communicate with Nurse Porter-Hall in regards to students that need help beyond what can be provided in the classroom. Students that have Covid-19 symptoms, as determined by Nurse Porter-Hall, will be sent to the CARE room. Parents will be required to pick up students from the CARE room within an hour. Nurse Porter-Hall will communicate with the parents what steps should be taken and when the student may return to school.
Remember

Masks
Students must wear masks at all times except when eating, including when they are on the bus. Please pack your child extra masks.

Uniforms
Student DO NOT have to wear uniforms. They do have to follow the PGCPS dress code.

Attendance
Hybrid students that are not able to attend school on an assigned day may participate in class virtually and will be marked Present.
Other Reminders

Spirit Week

Wednesday is Workout Day.
Thursday is Support your School Day
Friday is Superhero day.

See ClassDojo for more information. We would love to see EVERYONE participate.

Mid-Atlantic Fundraiser

We're still off to a slow start. Please consider posting on NextDoor or Facebook.

SchoolMax

Check that your correct information is in SchoolMax. Contact the main office for help changing information.
