Principal's Corner

It's hard to believe that we are just a few days away from the end of this school year. What a wild year it has been! While there are still a lot of questions about how next year will look, the staff at Woodmore is already preparing for an amazing 2021-2022 school year. You can help prepare your child this summer as well. Grade levels will be sending (via Google Classroom) letters to their next year's students with summer suggestions. Please take a close look at these suggestions and encourage your child by developing a summer schedule. Nothing is more important than reading over the summer.

Take a look at [this report from Scholastic](#). In addition to academics, we hope summer will include lots of time to play outside and explore!

I want to take a moment to thank the amazing staff, the parents, and the students Woodmore. As a first year principal, I could not have asked for more support and encouragement. I am so grateful to have such an amazing community to work with each and every day. Be safe and enjoy your summer!

Important Dates

- June 14th - 5th Grade Drive-By Promtion and Zoom Celebration
- June 14th - 2 Hours Early Dismissal for Students

Staff Highlite - Ms. Dobson (Professional School Counselor)

Ms. Dobson has been the professional school counselor at Woodmore for two years. As the PSC, Ms. Dobson promotes social and emotional health through whole class instruction and working with small groups and individuals. She also leads our Peer Mediation Program, is our 504 & SIT Coordinator, and does so much more. Prior to being the PSC, Ms. Dobson worked in pre-k at Woodmore for 2 years, and was a counselor at other schools. She also worked as a para in Montgomery County, where she grew up, and I spent many years working at a daycare! Ms. Dobson loves getting to know all of the students and having time to help out with any concerns they may have. Her suggestions for the summer.. "Read, Watch movies, Travel & Have fun!!"
