#### THIRTY-EIGHT YEAR 4 STUDENTS AT THE ACADEMY OF HEALTH SCIENCES @ PRINCE GEORGE'S COMMUNITY COLLEGE TO BE INDUCTED INTO NATIONAL HONOR SOCIETY

Academy Of Health Sciences @ Prince George's Community College's annual induction ceremony for the National Honor Society will be held on Friday, April 26, 2022, at 1:00pm in the lecture hall located in Lanham Hall on the PGCC campus.

To be eligible for NHS membership consideration, students must have a cumulative grade point average of 3.0 or higher.. More importantly, our candidates must meet high standards in the NHS pillars of service, leadership, and character.

Leadership is based on a candidate's ability to serve as a role-model and have a positive, constructive influence on their community; participation in community or school activities; and/or exercise a positive influence on peers by upholding school ideals and spirit. To meet the service requirement, a candidate must participate in activities or initiatives that enrich the lives of others through dedicating their own time to make a difference. Character is measured in terms of integrity, ethics, and cooperation with both students and faculty. It is not defined by what a candidate may have done one time, but by what the candidate does all the time and is therefore, an essential manifestation of who they are as a person.

Candidate information packets are reviewed by a faculty council consisting of five members of the faculty appointed by the principal. These members remain anonymous throughout the entire selection process.

As new members of the AHS@PGCC NHS, it will be their duty to *always* demonstrate the four pillars that made them quality candidates to be inducted into this prestigious organization.

*National Honor Society membership is invitation-only and a specific honor. But Everyday Scholarship, Service, Leadership, and Character are shared values of schools, communities, and families.*

The National Honor Society is the nation's oldest and best-known student recognition program and was founded in 1921 by the National Association of Secondary School Principals.

### ACADEMY OF HEALTH SCIENCES @ PRINCE GEORGE'S COMMUNITY COLLEGE Chapter of National Honor Society proudly introduces and congratulates the following Year 4 Spring 2022 Inductees:
