

FREE Online Math Tutoring Available for all students in grades 3-12

Prince George's County Public Schools is excited to announce that we've teamed up with Carnegie Learning to provide our students with virtual, 1-on-1, on-demand or drop-in tutoring. **All at no cost to families!**

Highly-qualified math tutors are available to support students with coursework using MATHia[®], Carnegie Learning's adaptive software, or other available resources. Tutors will identify and close skill gaps, accelerate learning, and build academic confidence!

ON-DEMAND OR DROP-IN SESSIONS BEGIN SEPTEMBER 12, 2022!
