December 11, 2023

Greeting parents,

The following communication comes from the Athletic Office. Due to recent occurrences at basketball games, all remaining basketball games will be open to parents only. Each player or cheerleader will be allowed two parents. This will go into effect beginning Monday December 11, 2023. For schools that use TicketSpicket, any tickets that have already been purchased by spectators can be refunded. They can reach out to TicketSpicket directly.

All visiting schools should send a roster to the host school with the parents that will be attending to help with this process. From: George McClure, Supervisor of Athletics

Sincerely,

Kenneth Nance
Principal
