"I think it is possible for ordinary people to choose to be EXTRAORDINARY!"
- Elon Musk

Principal's Paws

“Gratitude should not be just a reaction to getting what you want, but an all-the-time gratitude, the kind where you notice the little things and where you constantly look for the good, even in unpleasant situations. Start bringing gratitude to your experiences, instead of waiting for a positive experience in order to feel grateful.”

The IJG Family would like to extend a heartfelt thank you to the presenters from the Mason Nation! Students were actively engaged in the presentations and asked some awesome questions.

PREPARING STUDENTS TO BE
COLLEGE AND CAREER READY!

Advancement via Individual Determination

AVID Advantage
AVID is geared towards helping students obtain the qualities and skills necessary for them to be college ready and to possess lifelong skills. AVID is purpose-built, rigorous and allows students to be the creator of their own destiny!

Guidance Gurus
Your Professional School Counselors have been quite the busy bees! Mr. Jones has been hosting parents each morning during "Coffee & Chat" sessions. Ms. Leftwich hosts Counseling Connect classes in google classroom for ALL grades. Ms. Glasgow, our school registrar, also works quite diligently in the Guidance Department each day on the front line.

Way to Go Guidance!

CLASS CAPERS
AVID classes are rocking out with Guest Speakers! Ms. Gail Haywood and Ms. Theresa Dudley addressed AVID students on 2 separate WICOR Wednesdays. Topics included how to obtain and maintain good grades and Ms. Dudley specifically reminded our lions to try to "deposit" positive sayings, actions and thoughts into their self-esteem bank accounts.

**American Education Week**

November 16-20, 2020

"This is a time to celebrate the achievements of public education and acknowledge the contributions of all those who make a difference in students' lives. It's a week when teachers, parents and support professionals recognized for the hard work and dedication each brings to making the state's public schools helping students to be the best they can be."
