

# FREE Online Math Tutoring Available!

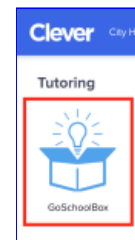

Prince George's County Public Schools is excited to announce that we've teamed up with Carnegie Learning to provide our students with 1-on-1 online on-demand tutoring that they can access at home after school or on Saturdays. **All at no cost to parents/families!!**

Highly-qualified math tutors are available to support students with their coursework whether they are using MATHia<sup>®</sup>, Carnegie Learning's award-winning adaptive software, or other available resources. Tutors are able to identify and close skill gaps and accelerate learning all while helping build student's academic confidence! **Math Tutors are available for students in grades 3-12.**

## It's easy to access!

- 1) Log into CLEVER
- 2) Select the Tutoring App
- 3) Set up your profile
- 4) BOOK a Session
