### Reopen PGCPS: In-person Hybrid Learning Enrollment Survey

Dear OHMS Royal Families:

This is a reminder to complete the “In-person Hybrid Learning Enrollment Survey” before Sunday, February 28, 2021 at 11:59 pm.

We need you to complete this survey in order to determine your intentions regarding your child(ren)’s return, and to adequately prepare for the safe return of all. Prince George’s County Public Schools (PGCPS) is providing the option for parents/guardians to choose between continuing with at-home full distance learning or returning to in-person hybrid instruction. **Hybrid instruction** means part time in-person instruction and part time at-home learning. Students will be in school for two days each week (dependent by the first letter in the last name). Information on full distance learning, in-person hybrid instruction and the school reopening plan can be found on the PGCPS website.

**When responding to this survey, you are committing to how your child will receive instruction for the remainder of this school year. While you may change your options to the survey before it closes on 2/28 at 11:59 pm, once we return to the school building, your responses to the survey may not be altered. For example, if the virtual option is selected, your child must remain in distance learning for the remainder of the school year.**

Please take the time to answer the survey. You will be prompted to complete a survey for each child within your household. The deadline to complete the survey is 11:59 pm on Sunday, February 28, 2021. If a parent/guardian does not complete the survey by the February 28, 2021 deadline, the system will select your child for in-person hybrid instruction through the last day of school.
